

Practical and Applied Arts 8

Course Outline 2020-2021

Course Description:

The aim of this survey course is to develop appropriate attitudes for lifelong learning, apply and enhance knowledge, and enhance opportunities for the transition from the world of school to the world of work.

Course Overall Expectations:

Strand	Overall Expectations
Lifelong Learners	The Practical and Applied Arts are closely related to careers found in Saskatchewan and, therefore, are directly connected to lifelong learning whether in a professional career or through hobbies and personal interests.
Sense of Self	To engage in the Practical and Applied Arts, students need not only to use knowledge and skills but to interact with each other. Students use their new understanding and skills to explore who they are and who they might become.
Engaged Citizen	Practical and Applied Arts students learn how new skills and abilities enable them to make a difference in their personal lives as well as in their family and community.
